POLICY

Title: Mowing Charges

Policy Statement *

That the charge for the Village Public Works of mowing any privately-owned land within the Village shall be charged \$100.00 (one hundred dollars) per hour.

The Purpose of This Policy is to:

To encourage property owners to care for their properties on their own and ensure that the Village is adequately compensated for staff time if the property owners fails to care for their property or if they request the assistance of the Village.

Definitions: A charge of \$100.00 (one hundred dollars) per hour per parcel.

Responsibilities: Property owners to be given adequate notice and warning of the necessity of mowing and all imminent charges in the event the Village **must** provide the equipment and manpower.

Procedures: Notice shall be sent to each property owner advising that their parcels must be maintained in a manner acceptable to the Council and/or Administration of the Village of Barons. On the notice, a time period will be cited for compliance of the directive.

** This policy is subject to any specific provisions of the Municipal Government Act, the Local Authorities Board Act or other relevant legislation.
