Absent: Dan Coulter, Village Foreman

Call to Order: Call to order at 6:10 p.m.

Guests: **Sgt. Tom Howell, RCMP Picture Butte Detachment**
Some issues have come up regarding rural crime. Picture Butte RCMP has seen a reduction in crime in their patrol area comparing the years 2017 and 2018. Increases in auto thefts, break in's and rural crime seem to be the trend. In addition, issues surrounding dealing with drug addiction in some of the crimes has been a challenge. Additional funding has been announced by the Province for extra resources in dealing with rural crimes. It appears that repeat offenders seem to be doing the crimes. The Picture Butte Detachment does not seem to have a lot of rural crime problems – more traffic and mental health issues. After the Rural Crime open house at Nobleford, it was suggested that people want to start up a rural crime watch association – asking for two to three volunteers from the municipalities in the Picture Butte and Southern Alberta area.
